Fairy tales can come true. It can happen to you, if you're young at heart. For it's

hard, you will find, to be narrow of mind, if you're young at heart. You can

go to extremes, with impossible schemes. You can laugh when your dreams fall apart at the seams.

know that it's worth every treasure on earth to be young at heart? For as

rich as you are, it's better by far, to be young at heart. And if

you should survive to one hundred and five, look at all you derived just by being alive. Now

here is the best part... You have a head start, if you are amongst the very young at heart.
